

# Bucket Hat for a Cause — 30-Period Teaching Program

Website-complete teacher review version • 10 pt teaching tables

## Current position

Stage 4 Technology Mandatory – Materials and production processes  
Technology 7–8 Syllabus (2023)  
2026; 10 weeks; provisional 6 × 60-minute periods per fortnight; 30 periods  
Mandatory/current framework for 2026 delivery; verified 17 August 2026  
Site/theory: 15, Project/folio: 5, Practical: 10  
Published to GitHub Pages on 17 August 2026; local approvals remain Teacher to confirm

## Selected outcomes and evidence opportunity

### Exact statement

communicates and evaluates design ideas and solutions  
explains how materials, systems and components contribute to solutions  
describes the practices and processes of designers and producers  
applies processes in the planning, management and production of projects  
selects and safely uses tools, materials, technologies and processes  
explains relationships between sustainability, design and production

### Program evidence

Site checks/responses, folio and practical  
Site checks/responses, folio and practical  
Site checks/responses, folio and practical  
Site checks/responses, folio and practical  
Site checks/responses, folio and practical  
Site checks/responses, folio and practical

**Teacher to confirm before use:** actual timetable; local practical/fieldwork methods, WHS and supervision; approved assessment schedule, conditions and submission; adjustments and faculty sign-off.

## Periods 1–10

| P  | Type          | Focus                                                                                            | Teaching and learning                                                                          | Syllabus content                                                                                  | Evidence / outcomes                                                                             |
|----|---------------|--------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------|
| 1  | Site/theory   | M1: 1.1 Textiles are everywhere; 1.2 Hats, users and sun protection; 1.3 Designing for a cause   | Teach named section(s); students complete each 10-question check and saved response.           | Investigate materials and production processes; develop, produce and evaluate designed solutions. | M01-S01, M01-S02, M01-S03: check + response; TE4-MSC-01, TE4-PDP-01.                            |
| 2  | Project/folio | M1: folio/project evidence                                                                       | Review responses; organise source, planning, feedback and evaluation evidence.                 | Plan, manage, document, communicate and evaluate design and production processes.                 | Folio/evaluation checkpoint; TE4-MSC-01, TE4-PDP-01.                                            |
| 3  | Practical     | M1: authorised practical/investigation                                                           | Follow current teacher demonstration/local procedure; record genuine observations or progress. | Select and safely use appropriate tools, materials, technologies and production processes.        | Teacher observation + authentic record; TTC-02; TE4-MSC-01, TE4-PDP-01.                         |
| 4  | Site/theory   | M2: 2.1 Practical-room routines; 2.2 Tools, pins, shears and irons; 2.3 Sewing-machine safety    | Teach named section(s); students complete each 10-question check and saved response.           | Investigate materials and production processes; develop, produce and evaluate designed solutions. | M02-S01, M02-S02, M02-S03: check + response; TE4-MSC-01, TE4-PDP-01, TE4-PPM-01, TE4-SAF-01.    |
| 5  | Practical     | M2: authorised practical/investigation                                                           | Follow current teacher demonstration/local procedure; record genuine observations or progress. | Select and safely use appropriate tools, materials, technologies and production processes.        | Teacher observation + authentic record; TTC-02; TE4-MSC-01, TE4-PDP-01, TE4-SAF-01, TE4-PPM-01. |
| 6  | Site/theory   | M3: 3.1 Colour communicates; 3.2 Symbols and imagery; 3.3 Analyse before you design              | Teach named section(s); students complete each 10-question check and saved response.           | Investigate materials and production processes; develop, produce and evaluate designed solutions. | M03-S01, M03-S02, M03-S03: check + response; TE4-DES-01, TE4-MSC-01, TE4-PDP-01, TE4-PPM-01.    |
| 7  | Project/folio | M3: folio/project evidence                                                                       | Review responses; organise source, planning, feedback and evaluation evidence.                 | Plan, manage, document, communicate and evaluate design and production processes.                 | Folio/evaluation checkpoint; TE4-MSC-01, TE4-PDP-01, TE4-DES-01, TE4-PPM-01.                    |
| 8  | Practical     | M3: authorised practical/investigation                                                           | Follow current teacher demonstration/local procedure; record genuine observations or progress. | Select and safely use appropriate tools, materials, technologies and production processes.        | Teacher observation + authentic record; TTC-02; TE4-MSC-01, TE4-PDP-01, TE4-DES-01, TE4-PPM-01. |
| 9  | Site/theory   | M4: 4.1 Design situation, need and user; 4.2 A useful design brief; 4.3 Criteria and constraints | Teach named section(s); students complete each 10-question check and saved response.           | Investigate materials and production processes; develop, produce and evaluate designed solutions. | M04-S01, M04-S02, M04-S03: check + response; TE4-DES-01, TE4-MSC-01, TE4-PDP-01, TE4-PPM-01.    |
| 10 | Practical     | M4: authorised practical/investigation                                                           | Follow current teacher demonstration/local procedure; record genuine observations or progress. | Select and safely use appropriate tools, materials, technologies and production processes.        | Teacher observation + authentic record; TTC-02; TE4-MSC-01, TE4-PDP-01, TE4-DES-01, TE4-PPM-01. |

## Periods 11–20

| P  | Type          | Focus                                                                                                            | Teaching and learning                                                                          | Syllabus content                                                                                  | Evidence / outcomes                                                                              |
|----|---------------|------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------|
| 11 | Site/theory   | M5: 5.1 Mood boards with direction; 5.2 Distinct annotated concepts; 5.3 Feedback, PMI and final choice          | Teach named section(s); students complete each 10-question check and saved response.           | Investigate materials and production processes; develop, produce and evaluate designed solutions. | M05-S01, M05-S02, M05-S03: check + response; TE4-DES-01, TE4-MS-C-01, TE4-PDP-01, TE4-PPM-01.    |
| 12 | Project/folio | M5: folio/project evidence                                                                                       | Review responses; organise source, planning, feedback and evaluation evidence.                 | Plan, manage, document, communicate and evaluate design and production processes.                 | Folio/evaluation checkpoint; TE4-MS-C-01, TE4-PDP-01, TE4-DES-01, TE4-PPM-01.                    |
| 13 | Practical     | M5: authorised practical/investigation                                                                           | Follow current teacher demonstration/local procedure; record genuine observations or progress. | Select and safely use appropriate tools, materials, technologies and production processes.        | Teacher observation + authentic record; TTC-02; TE4-MS-C-01, TE4-PDP-01, TE4-DES-01, TE4-PPM-01. |
| 14 | Site/theory   | M6: 6.1 Fibre, yarn and fabric; 6.2 Cotton and polyester; 6.3 Sustainability needs evidence                      | Teach named section(s); students complete each 10-question check and saved response.           | Investigate materials and production processes; develop, produce and evaluate designed solutions. | M06-S01, M06-S02, M06-S03: check + response; TE4-MS-C-01, TE4-PDP-01, TE4-SDP-01.                |
| 15 | Practical     | M6: authorised practical/investigation                                                                           | Follow current teacher demonstration/local procedure; record genuine observations or progress. | Select and safely use appropriate tools, materials, technologies and production processes.        | Teacher observation + authentic record; TTC-02; TE4-MS-C-01, TE4-PDP-01, TE4-SDP-01.             |
| 16 | Site/theory   | M7: 7.1 Sampling before production; 7.2 Appliqué, embroidery and couching; 7.3 Stencilling, dyeing and transfers | Teach named section(s); students complete each 10-question check and saved response.           | Investigate materials and production processes; develop, produce and evaluate designed solutions. | M07-S01, M07-S02, M07-S03: check + response; TE4-MS-C-01, TE4-PDP-01.                            |
| 17 | Project/folio | M7: folio/project evidence                                                                                       | Review responses; organise source, planning, feedback and evaluation evidence.                 | Plan, manage, document, communicate and evaluate design and production processes.                 | Folio/evaluation checkpoint; TE4-MS-C-01, TE4-PDP-01.                                            |
| 18 | Practical     | M7: authorised practical/investigation                                                                           | Follow current teacher demonstration/local procedure; record genuine observations or progress. | Select and safely use appropriate tools, materials, technologies and production processes.        | Teacher observation + authentic record; TTC-02; TE4-MS-C-01, TE4-PDP-01.                         |
| 19 | Site/theory   | M8: 8.1 Pattern pieces and symbols; 8.2 Layout, marking and cutting                                              | Teach named section(s); students complete each 10-question check and saved response.           | Investigate materials and production processes; develop, produce and evaluate designed solutions. | M08-S01, M08-S02: check + response; TE4-MS-C-01, TE4-PDP-01.                                     |
| 20 | Site/theory   | M8: 8.3 Machine readiness and practice                                                                           | Teach named section(s); students complete each 10-question check and saved response.           | Investigate materials and production processes; develop, produce and evaluate designed solutions. | M08-S03: check + response; TE4-MS-C-01, TE4-PDP-01.                                              |

## Periods 21–30

| P  | Type          | Focus                                         | Teaching and learning                                                                          | Syllabus content                                                                                  | Evidence / outcomes                                                                             |
|----|---------------|-----------------------------------------------|------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------|
| 21 | Practical     | M8: authorised practical/investigation        | Follow current teacher demonstration/local procedure; record genuine observations or progress. | Select and safely use appropriate tools, materials, technologies and production processes.        | Teacher observation + authentic record; TTC-02; TE4-MSC-01, TE4-PDP-01.                         |
| 22 | Site/theory   | M9: 9.1 Action plan and workflow              | Teach named section(s); students complete each 10-question check and saved response.           | Investigate materials and production processes; develop, produce and evaluate designed solutions. | M09-S01: check + response; TE4-MSC-01, TE4-PDP-01, TE4-PPM-01, TE4-SAF-01.                      |
| 23 | Site/theory   | M9: 9.2 Construction quality                  | Teach named section(s); students complete each 10-question check and saved response.           | Investigate materials and production processes; develop, produce and evaluate designed solutions. | M09-S02: check + response; TE4-MSC-01, TE4-PDP-01, TE4-PPM-01, TE4-SAF-01.                      |
| 24 | Site/theory   | M9: 9.3 Progress evidence                     | Teach named section(s); students complete each 10-question check and saved response.           | Investigate materials and production processes; develop, produce and evaluate designed solutions. | M09-S03: check + response; TE4-MSC-01, TE4-PDP-01, TE4-PPM-01, TE4-SAF-01.                      |
| 25 | Project/folio | M9: folio/project evidence                    | Review responses; organise source, planning, feedback and evaluation evidence.                 | Plan, manage, document, communicate and evaluate design and production processes.                 | Folio/evaluation checkpoint; TE4-MSC-01, TE4-PDP-01, TE4-SAF-01, TE4-PPM-01.                    |
| 26 | Practical     | M9: authorised practical/investigation        | Follow current teacher demonstration/local procedure; record genuine observations or progress. | Select and safely use appropriate tools, materials, technologies and production processes.        | Teacher observation + authentic record; TTC-02; TE4-MSC-01, TE4-PDP-01, TE4-SAF-01, TE4-PPM-01. |
| 27 | Site/theory   | M10: 10.1 Test against criteria               | Teach named section(s); students complete each 10-question check and saved response.           | Investigate materials and production processes; develop, produce and evaluate designed solutions. | M10-S01: check + response; TE4-DES-01, TE4-MSC-01, TE4-PDP-01, TE4-PPM-01.                      |
| 28 | Site/theory   | M10: 10.2 Feedback and reflection             | Teach named section(s); students complete each 10-question check and saved response.           | Investigate materials and production processes; develop, produce and evaluate designed solutions. | M10-S02: check + response; TE4-DES-01, TE4-MSC-01, TE4-PDP-01, TE4-PPM-01.                      |
| 29 | Site/theory   | M10: 10.3 Designer statement and presentation | Teach named section(s); students complete each 10-question check and saved response.           | Investigate materials and production processes; develop, produce and evaluate designed solutions. | M10-S03: check + response; TE4-DES-01, TE4-MSC-01, TE4-PDP-01, TE4-PPM-01.                      |
| 30 | Practical     | M10: authorised practical/investigation       | Follow current teacher demonstration/local procedure; record genuine observations or progress. | Select and safely use appropriate tools, materials, technologies and production processes.        | Teacher observation + authentic record; TTC-02; TE4-MSC-01, TE4-PDP-01, TE4-DES-01, TE4-PPM-01. |

**Evidence, feedback and access:** Use section checks diagnostically; review saved responses and authentic folio/practical evidence; reteach named sections; provide chunking, read-aloud, reduced-copy, keyboard and print/PDF options as appropriate.
